For desktop computers, laptops, kiosks and TouchSmart PCs, the following terms apply:

- Each device is supplied with a clean Windows installation and MS Office as well as an anti-virus package.
- Each device is supplied with common utilities such as VLC, Quicktime Pro, WinZip, Adobe Reader, Flash, etc. If desired Allrent ICT Solutions can be consulted, for further customization and installation of additional software.
- Network Equipment such as UTP cables and switches are, in most cases, supplied free of charge. This does not apply to Large, Custom or WiFi networks. Please contact us to discuss your network requirements.
- We can supply a quote tailored to your project for larger numbers of devices or different rental periods. Please contact us to discuss your requirements.

For Apple iMac 21.5", iMac 27", Macbook Pro and Mac Mini, the following applies:

- Each device is supplied with a recent OS, MS Office for Mac, iWork and ilife.
- iMac 21,5", iMac 27" and Mac Mini are supplied with a wired keyboard and mouse, wireless keyboard and mouse are available on request.

Did you know that Allrent It & AV Solutions

- is available 24 hours / 7 days a week.
- has a response time of One hour in the case of an emergency or urgent order.
- only works with leading brands such as HP, Cisco, Panasonic, Samsung, Philips, Xerox, Apple, etc.
- has its own transport and logistics department.
- has qualified staff for onsite installation(s), onsite support (optional) and dismantling.

All prices and our general terms and conditions filed with the Chamber of Commerce in Lelystad under number 39.065.195.

Prices are in Euros and exclude VAT, transport, installation of additional software and installation onsite (within the Netherlands, custom pricing might apply to trans-border installations).
